

# Spring Term: Year 6

Hi, I'm Mr Walker. This term I can't wait to get started on creating blackout poetry and writing in role as a soldier imagining life in the trenches.

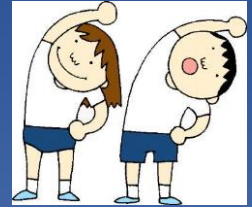

Hi, I'm Miss Stott and I am looking forward to visiting the Holocaust Centre again. I always learn such a lot there!

Hi, I'm Miss Snelling and I'm in Willow Class. I am looking forward to joining Year 6 in January and seeing a lot of familiar faces. I'm looking forward to exploring wartime recipes, as I love baking.

Hi, I'm Mrs Parker. I'm looking forward to our history work, it will be fascinating to learn how the war affected our community.

## P.E Kit.

Kit should be in school each day and consists of:

- White T-shirt
- Black plain shorts or joggers
- Plimsols and outdoor trainers.

## Diaries

Diaries must be in school every day. You are expected to complete 5 reads at home and 5 spelling practices for your weekly spelling test.

## Snacks and drinks

Please bring a water bottle into school each day and a healthy snack if you would like to.

You can also bring money for tuck.

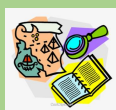

## Autumn Term

Fairtrade / Victorians

## Spring Term

World War One and Two

## Summer Term

Growing Up/  
Moving On

CLASS  
of  
2022

# We will learn to be:

## Super Scientists....

### Spring 1- 'Light'

We will be identifying the properties of different materials and how they interact with light. We will learn about the way that light travels and will discover how light is used by the human eye to create the image we see of the world.

### Spring 2- 'Electricity'

We will become confident in using symbols in scientific drawings to represent electrical components. We will experiment with our own circuit designs and understand how electricity travels and how it is measured.

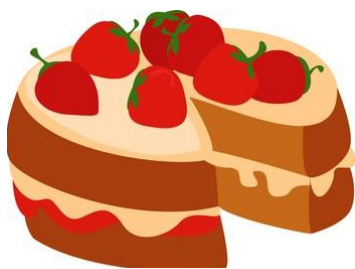

## Heroic Historians....

Spring 1- We will begin to understand the causes of WWI. We will investigate peoples' thoughts and feelings about the war and look at the way it effected the local community.

Spring 2- After looking at WWI, we will explore WWII. We will look at the way that technology changed warfare and find out about the lives of children who boarded the Kindertransport.

## Awesome Artists.....

**Spring 1-** We will develop our skills as artists by practicing sketching and building up different effects with different pencils. We will look at how to provide our work with texture and colour using a range of materials and look at different ways of representing movement as we create artwork inspired by the poetry of WWI.

## Brilliant Bakers....

During the term, in Design Technology, we will also look at wartime recipes and learn about how, during the time of rationing, people had to cook with some inventive ingredients so that they could have a sweet treat!

The Y6 team are working extremely hard to make this an amazing term full of exciting and memorable opportunities. We are really looking forward to it and can't wait to have you back in our classrooms.

High Five  
to a  
Great Year!
