Year 2 Trip to York Railway Museum

We are pleased to inform you that Year 2 will be visiting The York Railway Museum on Wednesday 22nd March 2023. During the second half of the spring term, the children will be learning about the innovation of rail transportation across three centuries both locally and worldwide. Specific learning outcomes from the trip include:

- To learn about significant changes and events within living memory and beyond living memory.
- To learn about significant individuals in the past and how they have contributed to national and international achievements.

Britain was at the forefront of rail innovation and engineering throughout the nineteenth and twentieth centuries. This trip will provide the children with first-hand experience of some of the most important locomotives in history from Robert Stephenson's early steam powered engine, to the high tech, high speed Shinkansen 'Bullet' Train!

The cost of the trip is £17.20

Children will need to be in school between 08.40/08.50am to register as usual and we expect to be back for the end of the normal school day at 15.20pm (dependant on traffic conditions).

The link below will be sent on do-jo for you to indicate if you would like school to provide your child with a universal/free school packed lunch or you will provide your child with one. The deadline for the request of universal/free school packed lunch is Tuesday 7th March 2023.

A drink is required from home please for ALL children. Please ensure there are no glass bottles or fizzy drinks.

Please complete both sides of the parental consent form and answer all questions. You are able to make payment on your child's sQuid account, no cash payments will be taken. Please make payment by Friday 10th March 2023.

Yours sincerely,

Miss Howe, Miss Whild & Mr Giugno
